  - ❖ Roll No. (1-10)

Reading is fun and good books are one's best friend but it is very difficult to read all the books. Therefore someone's review of a book helps you decide whether you should read it or not.

A book review is written up by a reader giving an analytical description of the book. It contains his/her frank opinion of the book whether the book is good or not so good and whether the other people should read it or not. Books- The Adventure Tomsawyer.

Write a review 120-150 words

### A BOOK REVIEW CHART

Title of the Book:

Publisher:

Number of pages:

Price:
